

“We save lives... just for the health of it”

### CAPABILITY STATEMENT

We equip individuals and healthcare professionals with the latest medical knowledge, technology and skills that ‘saves lives’. Our training and innovative healthcare solutions are designed to enable, and sustain, lifestyle change for improved quality of life

#### WHY CGM?

Sherman Ware, CEO and Founder, served for 15 years in the US Army. In 1991, while stationed in Nurnberg Germany, Sherman received an award for administering CPR to a 3-year-old child and saving his life. This was a life-changing event, that resulted in Sherman making a radical career change to practice emergency medicine; initially for the US military, later as a civilian. During the 3 years of his paramedic career, Sherman saved over 100 lives.
